

## LAB3

1.

The screenshot shows a window titled "Lennie's Bail Bonds". It contains two input fields: "Bail Amount:" and "Collateral Description:". Below these is an "Amount Due:" field. At the bottom, there are four buttons: "Calculate", "Clear", "Print", and "Exit".

2.

The screenshot shows a window titled "Recording Studio". It has two main sections. The left section contains "Group Name:" and "Time Used (Minutes)" input fields, and "Charges for current group:" below them. The right section, titled "Summary Information", contains "Total Number of Groups", "Avg. Charge per Group", and "Total Charges for ALL Groups" input fields. At the bottom, there are four buttons: "Calculate", "Clear", "Print", and "Exit".

3.

The screenshot shows a window titled "Shipping Form". It contains three input fields: "ID (Six digits)", "Weight:" (with "lb." and "oz." labels), and "Shipping Charges:". At the bottom, there are four buttons: "Calculate", "Clear", "Print", and "Exit".
