# Introduction

A paragraph about the Information System

.....  
.....  
.....

A paragraph about the topic of the project

.....  
.....  
.....

A paragraph about the content of the report

.....  
.....  
.....  
.....  
.....

About any other information that should be in the introduction

.....  
.....  
.....  
.....  
.....

# Project Description

## 2.1 Baseline Project Plan (BPP)

### 2.1.1. Introduction

.....

.....

.....

### 2.1.2. System description

.....

.....

.....

### 2.1.3 Feasibility assessment

.....

.....

.....

.....  
.....

.....Following are the tables are used in this project:

- Customer Table: ID, Name, Surname, ...
- Employee Table: ID, Name, Surname, ...
- Supplier: Supplier Name, ...
- Inventory: ID, Product name, ...
- ...
- ...

# Data Base Desing and Flow Diagram

## Context Diagram

.....  
.....  
.....  
.....

In this project,

.....  
.....  
.....

Figure 5: .....

## Level 0 diagram

.....  
.....  
.....  
.....

Figure 6: .....

Explanation about the diagram

.....  
.....  
.....

## Entity Relationship Diagram

Figure 7: .....

# Implementation and Operation

## Implementation critiques

.....

.....

.....

.....

.....

## Phases of development

.....

.....

.....

.....

.....

## Conclusion

In summary,

.....

.....

.....

.....

.....

About your suggestion to improve the business

.....

.....

.....

.....
